IMPORTANT SAFEGUARDS

DANGER — **Commercial Clipper**
When using an electrical appliance, read all instructions before use.

To reduce the risk of electric shock:

1. Do not reach for an appliance that has fallen into water. Unplug immediately.
2. Do not use while bathing or in a shower.
3. Do not place or store appliance where it can fall or be pulled into a tub or sink.
4. Do not place in or drop into water or other liquid.
5. Always unplug this appliance from the electrical outlet immediately after using.
6. Unplug this appliance before cleaning, putting on or taking off parts.

WARNING — **Commercial Clipper**
When using an electrical appliance, read all instructions before use.

To reduce the risk of burns, fire, electric shock, or injury to persons:

1. An appliance should never be left unattended when it is plugged in.
2. Close supervision is necessary when this appliance is used by, on, or near children or invalids.
3. Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by the manufacturer.
4. Never operate this appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water.
   Return the appliance to a service center for examination and repair.
5. Keep cord away from heated surfaces.
6. Never drop or insert any object into opening.
7. Do not use outdoors or operate where aerosol spray products are being used or where oxygen is being administered.
8. Do not use this appliance with a damaged or broken comb or blade, as cut or scratched skin may occur.
9. To disconnect, move all controls to "OFF", then remove plug from outlet.
10. Do not wrap cord around unit when storing. Continuous stress on the cord can damage cord insulation and result in a shock hazard.
11. Avoid contact with moving blades.
12. Avoid tangling or kinking the cord while clipping. Should the cord become tangled or kinked, stop clipping and straighten the cord.
13. This appliance is for clipping and trimming purposes only.
14. Keep the appliance dry.
15. The intended continuous operating time is 20 minutes.
16. During use, do not place or leave the appliance where it is expected to be:
    - subject to damage by animal, or
    - exposed to weather.
17. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the appliance.

SAVE THESE INSTRUCTIONS

A detachable grounding-type 3-wire power-supply cord is used to reduce the risk resulting from becoming entangled in or tripping over a longer cord. Longer detachable power-supply cords or extension cords are available and may be used if care is exercised in their use. If a longer detachable power-supply cord or extension cord is used:
a) The marked electrical rating of the grounding-type 3-wire cord set or grounding-type 3-wire extension cord should be at least as great as the electrical rating of the appliance;
and
b) The complete cord should be arranged so that it will not drape over the countertop or tabletop where it can be pulled on by children or tripped over unintentionally.

DO NOT TAMPER WITH CLIPPER

ABOUT YOUR CLIPPER

Although your clipper has been thoroughly tested and inspected at every stage of its manufacturing and assembly, it is recommended that you lubricate it, as instructed in this manual. This will ensure you obtain optimum performance and prolong the life of your clipper.

This is a 3 speed clipper that has been developed to provide excellent cutting performance on any speed. Using lower speed settings will limit blade heat and

GETTING FAMILIAR WITH YOUR CLIPPER AND ACCESSORIES

Your clipper comes to you with several parts and accessories. Confirm that they are all present and are not damaged. All parts can be purchased from an Oster™ authorized service center.

1. Clipper
2. On/Off Speed Switch
3. Hanging Ring
4. Power Cord
5. Oster® Clipper & Blade Lube™ oil
6. Cleaning Brush
7. Blade Guard
8. Blade Assembly
9. Nameplate

Due to continuous product improvement, product may vary slightly from what is illustrated.

TAKING CARE OF YOUR CLIPPER

Note: Any other maintenance not explained in this manual must be performed by an Oster™ Authorized Service Center.
Important: Make sure clipper is turned off and unplugged from electrical outlet before removing, replacing or cleaning any part

Removing Blade Assembly from the Clipper

Push locking button ❶ (78006 Model ONLY) in and hold. Push blade assembly ❷ upwards to position ❸. Blade assembly can now be removed from clipper by pulling forward and upwards at ❹.

Step 1
78006 Model ONLY

WARNING When pushing the blade assembly back into the clipper it must be inserted with the smooth side of the blade facing upwards. If the blade is not positioned with the correct side facing upwards, damage to the clipper or injury may result.

BLADE CARE

Blade Care, Cleaning and Lubricating-Daily

Blades should be oiled regularly to reduce heat and maintain sharpness. Before removing the blade, be sure it has cooled down.

With clipper in off position apply 1 or 2 drops of Oster™ Clipper and Blade Lube™ oil on the blade. Wipe excess oil with a dry, soft cloth.

Cleaning
Clean the excess hair from your blades by using the cleaning brush.

MAINTENANCE

To clean the blades, plug clipper into electrical outlet and turn on.
In a shallow pan, immerse blade teeth into Oster® Blade Wash® cleaning solution.
Caution: DO NOT IMMERSE THE CLIPPER.
Remove blade from cleaning solution and while holding clipper blade end down, wipe the blades with a dry, clean cloth.
If after cleaning, you find that the blades still do not cut properly, it is possible that a few fine pieces of hair Are still trapped between the blades.
If this occurs, remove the blade. Without loosening the tension springs screws, slide The upper blade to one side but not completely out from under the tension spring.
Wipe the surface between the blades clean with a dry cloth.

Place a drop of oil on the mating surfaces and in the tension spring guide slot. Slide upper blade ❶ to the other side and repeat process. Slide the upper blade back into position and reassemble the clipper. With the clipper running, lubricate the blades with a light coat of Oster™ Kool-Lube® lubricant or a drop or two of Oster™ Premium Lubricating Oil.

Sharpening
Oster™ cutting blades are of individual hollow-ground design, hardened to extend cutting life. As with any cutting tool, the cutting edges will become dull after extensive use. If sharpening is necessary, send blades to an Oster™ Authorized Service Center.

Storing Your Clipper
Store your clipper in a clean, dry space. Be careful not to tangle the cord while storing the clipper. Do not wrap cord around the clipper when storing. This can damage the cord insulation.

AVAILABLE OSTER™ CLEANERS AND LUBRICANTS

Regular use of the following products will help you enjoy optimum performance from your clipper and prolong its functionality.

NAME	PART NUMBER	DESCRIPTION
Oster™ 5-in-1	076300-107	All-purpose clipper & blade lubricant and disinfectant.
Kool Lube™ 3	76300-101	Lubricates and cools down blade.
Spray Disinfectant	76300-102	Minimizes bacteria buildup between upper and lower blades.
Blade Wash™ Cleaning Solution	76300-103	Flushes away accumulated hair and removes dirt buildup trapped between upper blades.
Clipper & Blade Lube™ Oil	76300-104	Lubricates between upper and lower blades to keep them sharper longer and produce a smoother clipping action.

Waste Disposal
This marking indicates that this product should not be disposed with other household waste throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.

WARNING When using or cleaning this clipper, do not use any non Oster approved aerosol sprays or blade washes, especially those containing methylene chloride, dimethyl benzyl ammonium chloride, or 1-1-1 trichloroethylene. Damage caused by these chemicals will void your warranty. You may use Oster™, Blade Wash™ cleaner and Oster™ Blade Lube™ oil, which do not harm the product.

WARRANTY: U.S. and CANADA: 1 Year Limited Warranty

Sunbeam Products, Inc. doing business as Jarden Consumer Solutions or if in Canada, Sunbeam Corporation (Canada) Limited doing business as Jarden Consumer Solutions (collectively "JCS") warrants that for a period of one year from the date of purchase, this product will be free from defects in material and workmanship. JCS, at its option, will repair or replace this product or any component of the product found to be defective during the warranty period. Replacement will be made with a new or remanufactured product or component. If the product is no longer available, replacement may be made with a similar product of equal or greater value. This is your exclusive warranty. Do NOT attempt to repair or adjust any electrical or mechanical functions on this product. Doing so will void this warranty.

This warranty is valid for the original retail purchaser from the date of initial retail purchase and is not transferable. Keep the original sales receipt. Proof of purchase is required to obtain warranty performance. JCS dealers, service centers, or retail stores selling JCS products do not have the right to alter, modify or any way change the terms and conditions of this warranty.

This warranty does not cover normal wear of parts or damage resulting from any of the following: negligent use or misuse of the product, use on improper voltage or current, use contrary to the operating instructions, disassembly, repair or alteration by anyone other than JCS or an authorized JCS service center. Further, the warranty does not cover: Acts of God, such as fire, flood, hurricanes and tornadoes.

What are the limits on JCS's Liability?

JCS shall not be liable for any incidental or consequential damages caused by the breach of any express, implied or statutory warranty or condition.

Except to the extent prohibited by applicable law, any implied warranty or condition of merchantability or fitness for a particular purpose is limited in duration to the duration of the above warranty.

JCS disclaims all other warranties, conditions or representations, express, implied, statutory or otherwise.

JCS shall not be liable for any damages of any kind resulting from the purchase, use or misuse of, or inability to use the product including incidental, special, consequential or similar damages or loss of profits, or for any breach of contract, fundamental or otherwise, or for any claim brought against purchaser by any other party.

Some provinces, states or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights that vary from province to province, state to state or jurisdiction to jurisdiction.
